

Manteca Chamber of Commerce Junior Ambassador Leadership Program

Parent/Participant Commitment

I fully understand that the Junior Ambassador Leadership Program is a ten month program and I am committed to attending each month. All classes will be once a month on Saturdays in the morning with the exception of October, December and February's classes. All classes will be in various locations. I understand that as the parent of _____ I am responsible to get my child to and from each class on time. If I (participant) miss a class it is my responsibility to make up that class by attending a Tuesday Evening Council Meeting at City Hall.
